Now that America and Everman have recovered from the Bicentennial it's time to go on to more exciting things-like LIFE!!! In our world today there are so many things to do and see that one lifetime is not enough to enjoy it all. Life at hand is our immediate cause and our theme is "Turn on to life and life will turn you on!" Allright!!!

Life goes on - even during school

1. We always knew Norris Samuelson was a blow hard. 2. Laurie Lecroy and Dawn Mosley get high on balloons. 3. A few people try to beat the crowd to Homecoming. 4. Crowded halls cause confusion between classes. 5. The Royal Majestics are an added attraction to every Pep Rally.

1976-77 is a special year for many reasons. One of the "biggies" of the year was the Presidential election. The Democrats and Republicans once again went head to head to get their man in office. A series of television debates brought face to face Democrat Jimmy Carter against the Republican incumbent Gerald Ford. On November 2, 1976, Jimmy Carter was elected the President of the United States.

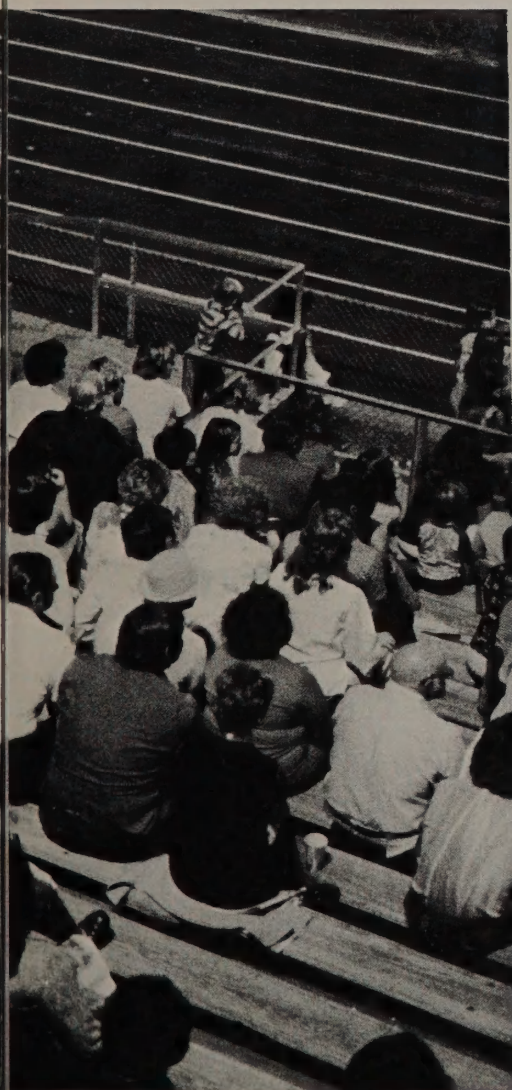

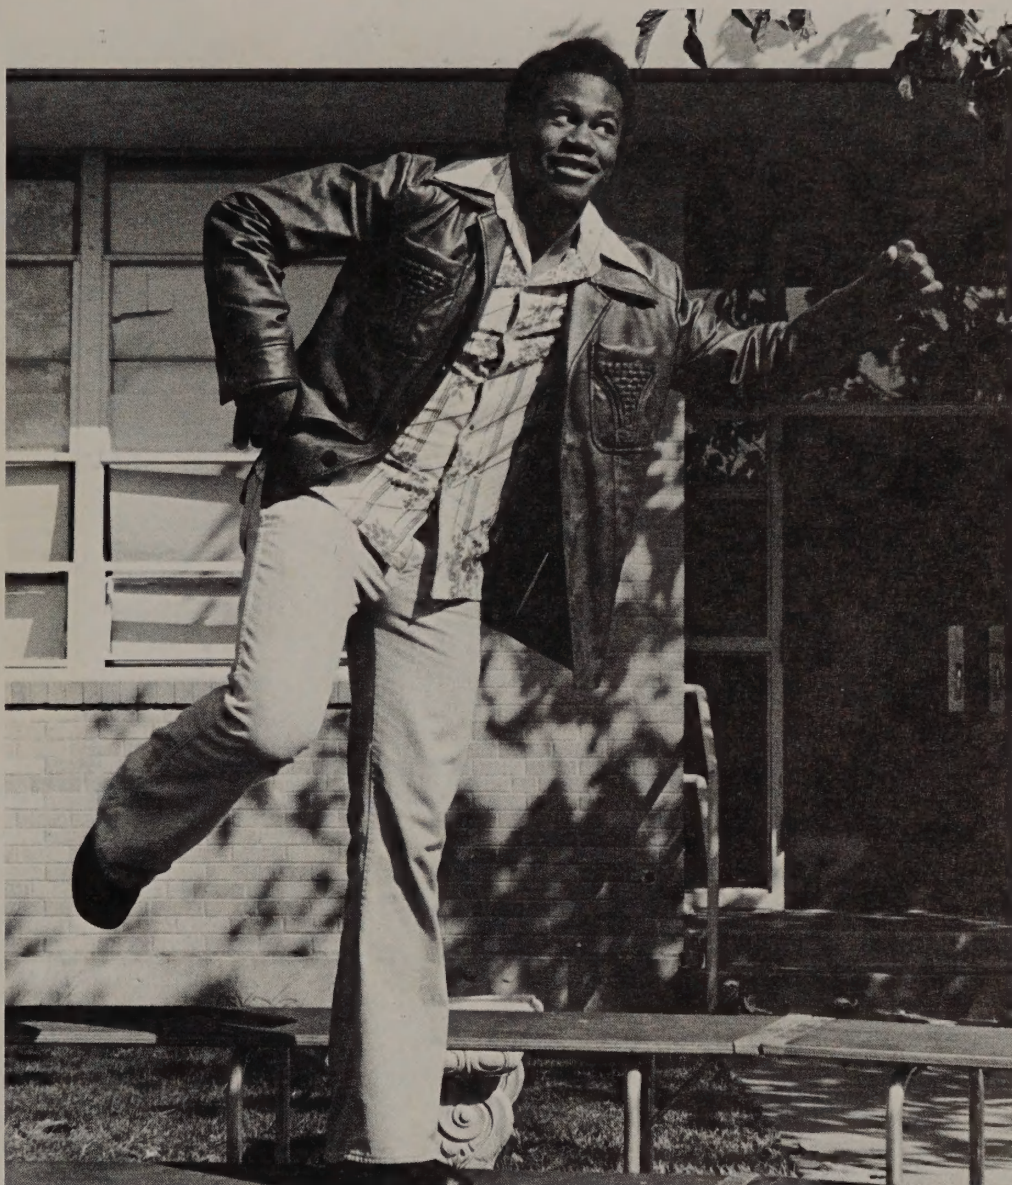

Another big event was the Summer Olympics. The Americans did very well against their opponents. Our men dominated swimming and Bruce Jenner walked away with a gold medal in the Decathlon. Our women did exceedingly well in basketball, receiving a silver medal in their first Olympic competition ever. Jenny Chandler walked away with a gold medal in diving. And outside America, who could forget Nadia Comaneci, Rumania's gymnast with her awesome, stone-faced perfection? Hundreds of new faces and idols came out of these traditional games and they added enthusiasm, excitement and color to a hot summer.

Back home in Everman, students kept up with tradition by once again returning to school. Seeing new faces and old started our annual routine all over again.

A Year To Remember

1. Would you believe Trick or Treat?
2. Senior Powder Puff raise spirit.
3. Bulldog fans watch their team with never dying enthusiasm. 4. The President of the Calvin Crayton Fan Club. 5. Joy West explains this week's routine to drill team strutters.

ACTIVITIES

Various extra curricular activities show the spirit and enthusiasm of the students throughout the school year. Special days of dressing up and acting strange break the monotony of the long weeks and create memories of school years. Clubs created and sponsored traditional activities including our annual powder puff game for our Junior and Senior girls; Homecoming hall decorations with competition between the clubs; outstanding assemblies; and our reviving days of the 50's.

The KEY CLUB had a great year and did many helpful things towards the upkeep of the community. Sponsored by Mr. David McCollum, the Key Clubbers received a trophy at the district convention for the greatest membership increase. Everman is proud of its Key Club and we wish it and Mr. McCollum the best of luck.

The STUDENT COUNCIL has had an exciting year. Probably the biggest event they sponsored was the first dance in years. The dance was very successful and the students proved they could handle such privileges. Through hard work and promoting leadership, Student Council has become one of the most important organizations in the school.

Being a Varsity cheerleader means yelling in the rain, making dozens of football cupcakes, practicing at 7:00 a.m. (in the summer), learning to jump and tumble, and having a lot of imagination. After winning 4 blue ribbons at SMU camp, these girls came back full of new and fresh ideas to spring on the student body. Many hours were spent planning new and different pep rallies to spirit the mighty Dogs!

Students and faculty have grown accustomed to the tradition of Howdy Week. As in the past, the students participated and enjoyed the idea of making new friends during the first week of school. Gene Medlin was named Howdy King. The choice for Howdy Queen was Patti Parker. Mrs. Larison, whose smile has been around this school for some time, was selected as one of the Howdy teachers. Coach Hollie, a favorite of most of the girls because of his good looks and friendliness, was the other choice for Howdy teacher. The runners-up were Mindy Grabaugh, Johnny Johnson, Tommy Cathey, and Julie Cox. This event captured and raised school spirit by starting the year with enthusiasm.

Performing to songs like "Shake Your Booty," "Boogie Shoes," and other disco tunes, the Royal Majestics were a big hit. They learned original routines in practice as well as at summer camp. Togetherness proved to be a rewarding experience, especially after winning three trophies at S.M.U. Drill Team School.

With spirit and enthusiasm the Royal Majestics entered the football season. Performing at Pep Rallies and at halftime at football were the 57 members sponsored by Mrs. Messing.

The Royal Majestics attended Southern Methodist University Drill Team Camp this summer where they won three trophies along with nineteen ribbons. One trophy was for first place in field competition. It was the first time an Everman Drill Team has ever brought home any trophies. Prepared for next year the Drill Team marches on.

Cheerleaders Rally Spirit

J.V.: Lisa Grier, Kathy Stills, Susan Buice, Lisa Knight

After a summer's practice, the cheerleaders began a successful season of pep rallies, assemblies, and games. While the Varsity cheerleaders practice, make gigantic signs, the Junior Varsity and Freshman cheerleaders assist in lettering, climb ladders, and help in many ways. Throughout the year the girls perform various duties and activities to maintain Bulldog spirit in the fans and the team.

Senior Cheerleaders perform their last pep rally.

Seniors Dominate Homecoming

The band made the Homecoming half time even more special.

The cheerleaders always do their part to psyche up the team.

Homecoming was the most exciting part of football season. For weeks in advance, girls were on their best behavior in hopes of a date for this special game. When Homecoming week finally rolled around, the entire student body came down with football fever. The Student Council sponsored a hall-decorating contest which was won by the Volleyball Team and the Keywannettes came in second. The week was climaxed by a special pep rally not only for the team, but also for the Exes in which the Classes of '59 and '69 were honored. Each class nominated a Senior Girl to be their nominee for Homecoming Queen. The Seniors chose Teresa Dyer, the Juniors nominated Lisa McDonald, Karen Raines was the Sophomore choice, and Brenda Stephenson was picked by the Freshmen.

Another big event was the Float competition. The four classes put their best carpentry and originality to work to make the most colorful professionally constructed float ever. The theme was the four seasons. The Seniors' float featured a Little Red School House representing Fall, the Juniors depicted Spring with a tree swing by a pond, the Sophomores did a beautiful mountain scene showing a white Christmas, and finally, the Freshmen made a surfer out of our mascot showing their idea of Summer.

At halftime came the big announcement - the Sophomore float came in second, and the Senior won first place. And Miss Teresa Dyer was chosen as the 1976-77 Homecoming Queen.

The football team showed its appreciation for the school's enthusiasm by drilling the Castleberry Lions for a perfect ending to a great week.

Drum majors: Ricky Caruth and Mitch Ratzloff show band authority.

The Golden Band from Bulldog land is the pride and joy of Everman. They are always a highlight at football games with their original and brilliant performances. Directed by Mr. Samuelson the band competed in the annual U.I.L. contest. In addition to the traditional twirlers, 6 new High-Steppers performed at pep rallies and half times. They are: M. Collier, S. Rippetoe, M. Johnson, C. Brown, L. Gilbert, and S. Jones. The Twirlers-who are the best in our region are D. Varnes, E. Buice, A. Barnett, and D. Linton; R. Carruth and M. Ratzloff were the drum-majors and they led their band to perhaps their best year ever.

The twirlers promote spirit with their performances.

People have noticed and wondered why the girls on the Volleyball team are almost always seen together. The reason is simple: when people play on the same team and work so hard for one single goal, a certain feeling of togetherness is achieved that just isn't accessible under normal conditions. These girls have the same interests, they like doing things together, and it usually turns out to be just a little bit crazy. And when their hopes and dreams aren't realized, then there is always someone around who has almost identical feelings to turn to. Friendship like these are hard to find and to see them it assures one that these girls' will remain friends even after they graduate and go on with the business of life.

Juniors Win Battle

After one week of jumping jacks, sit-ups, and running, the day came when you had to put into practice what you were taught. Enthusiasm was shown by all players, coaches, and the cheerleaders. There were four-ten minute quarters with every minute counting as both Juniors and Seniors wanted to win this game. Coaches, cheerleaders, referees, drill team, and most of the Junior and Senior players made up this battle to be Number 1. Although it was a close game, the Juniors took this victory with a score of 12-6.

Clubs Prepare Students For The Future

ART CLUB is a social group whose main tie is an interest in art. These students range from those going on to major in art in college or in the business world to those who enjoy art as a hobby to those who simply enjoy viewing the art work of others. The club went on sketching trips, picnics, and museum and gallery visiting. The club made posters and signs as money-making projects. These projects benefitted other clubs, the drama department, and the Everman Youth Association.

The LIBRARY CLUB was organized to give service to the library, the teachers, and the school. The Club sponsored a Book Fair and sold candy as money-making projects. They hosted the Annual District Conference and attended the State Conference in Denton, Texas. The Library Club is sponsored by Ms. Evangeline Brewer.

NATIONAL HONOR SOCIETY is a group which recognizes students who are outstanding in leadership as well as academic abilities.

To even be considered for membership in the society, a student must have no grade below an 85 and no citizenship grade below a 90. Then, they must be elected by the teachers, who take into consideration all aspects of the students' school life.

These students should be commended for their hard work and never-ending efforts.

THE SPIRIT CLUB sponsored by Mr. Holt, was led by class officers: Senior-Donna Chancey; Junior-Melody Williamson; Sophomore-Bridgette Adams; and Freshman-Andrea Johnson. The club's main purpose is to support the football and basketball teams.

They accomplished this by providing a bus to transport students to the games at other schools, baking cakes and candy for the football and basketball players, and also by putting on skits at some of the pep rallies.

Through their efforts, they have helped increase our ever-growing spirit!

Dogs "Shoot Two"

As the crowd is shouting "We're Number One" the Mighty Bulldog cagers display their talent of winning on the court. Coach John Nickols has led the Dogs to as many as five District wins, and plans to do the same this year. Constant practice, good sportsmanship, and solid confidence have proved the team one of the greatest, or "Number One."

Learning By Experience

For those who participate in DRAMA CLUB productions, "the show must go on." "Our Hearts were Young and Gay" and several one act plays, directed by senior members, were performed throughout the year. A final banquet honored members who received point and special acting awards.

Valentine Vibrations Vary

Lisa McDonald was presented as 1976-'77 sweetheart at the valentine's dance.

Verlita Walker gets down to the disco beat.

"Wow, man, did ya'll go to the Valentine dance? It was really far-out and funky!" — "No, man, I couldn't get loose." — "That's a bummer, lemme fill ya' in. There was this super groovey band, Tranz!! and we elected a really hip-chic Valentine's sweetheart, Lisa McDonald." — "It sure was a "rip" that I couldn't make it" — "Well, all I can say is you really missed a blast!"

Rodrick Henderson and Andrea Timmons snuggle and sway to the sweet sounds of 'Tranz'.

Assemblies Vary In Style

Assemblies came in all styles and sizes, and students enjoyed time out of class to observe the various types of shows. Among them was the Rick Presley concert which made the hearts of dozens of young girls throb. The Halloween assembly, presented by Mr. Barry Swindall and his "Snake Productions" was a change from the regular assemblies. It featured weird music, monsters, and mad scientists. The E.H.S. choir, directed by Mr. George Burke, displayed their talent in a Thanksgiving show including solos from Verlita Walker, Gayle Gordon, and Joanna Stevenson.

Even Coach Steel's vote counts in the Presidential election.

Suzy Tolkdorf says "Will the real turkey please stand up?"

The year, 1976, brought elections back again. Many senior students, who were lucky enough to be eighteen, participated in the presidential election with Jimmy Carter vs. Pres. Gerald Ford. The final election revealed Jimmy Carter as the 39th President of the U.S. Students and teachers alike took time during school to cast their vote as a sign of patriotism.

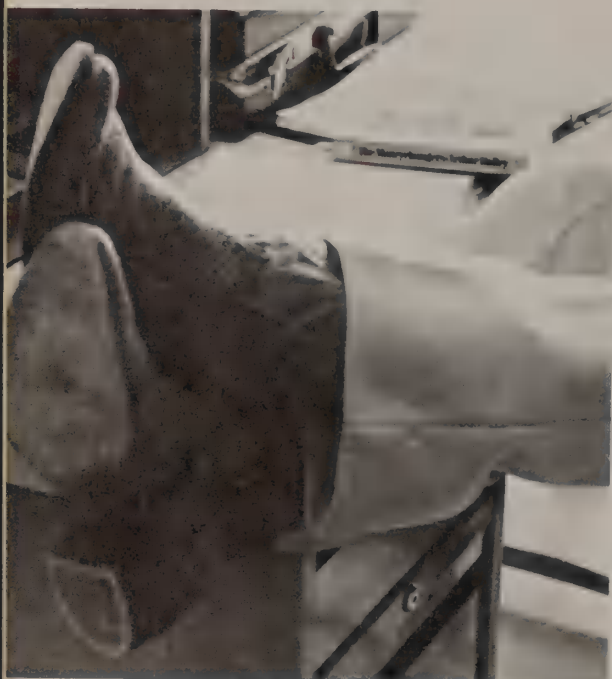

Contests such as the "Fat-a-thon" played an exciting role in school activities. Winner Tricia Cole was awarded along with finalists for her determination to shed those extra pounds.

"Fat-a-thon" contestants reveal their weights at their weekly weigh-in.

Kickers Have Their Day!

In Texas, the fact that the Fat Stock Show is coming to town means a celebration. And we are not an exception to the excitement of the opening day of the Stock Show. Every year we celebrate with an assembly and electing a Ranch King and Queen. This year the couple with the most authentic western wear were seniors, Tim Tynes and Tanya Singleton. The fact that the parade was called off did not put an end to our celebration. We did have an assembly but a very different one - instead of our going to the rodeo the rodeo came to us. Mr. Jim Bob Feller, a rodeo clown, entertained us with authentic rodeo stunts, with the assistance of his pony and pup. And for the fourth year in a row Chris Andrews and Stan Watts played a few tunes by Jerry Jeff Walker and Steve Fromholtz plus a few originals. In the annual beard growing contest senior, Frank Record took first place.

Each year at the conclusion of football season, the Everman High School Marching Band becomes the Symphonic Band and the Concert Band. Personnel of the bands is determined by a comprehensive audition with each student.

The Symphonic Band is comprised of approximately 60 members. It plays the advanced band literature, enters U.I.L. Contest, and plays several concerts during the spring of the year.

The Concert Band has approximately 40 members. This band plays the less demanding music, plays a concert in the spring, and spends most of their time striving for better and more improved musicianship.

"Our Hearts Were Young And Gay"

Dawn Christopherson displays her talent for charming Phillip Gieger.

As the curtain went up we saw a typical setting of a 1920 oceanliner sailing for France. "Our Hearts were Young and Gay", directed by Miss Sarah Yarbrough, portrayed two young girls, Emily (Dawn Christopherson) and Cornelia (Mindy Crabaugh), on their vacation to France and the adventures they encountered. In one incident, Emily accidentally threw a bucket at a drowning man, and Cornelia was bitten by bedbugs and then swoll up all over. The long hard hours of rehearsal and crew work paid off in the end, as the play ended in great success.

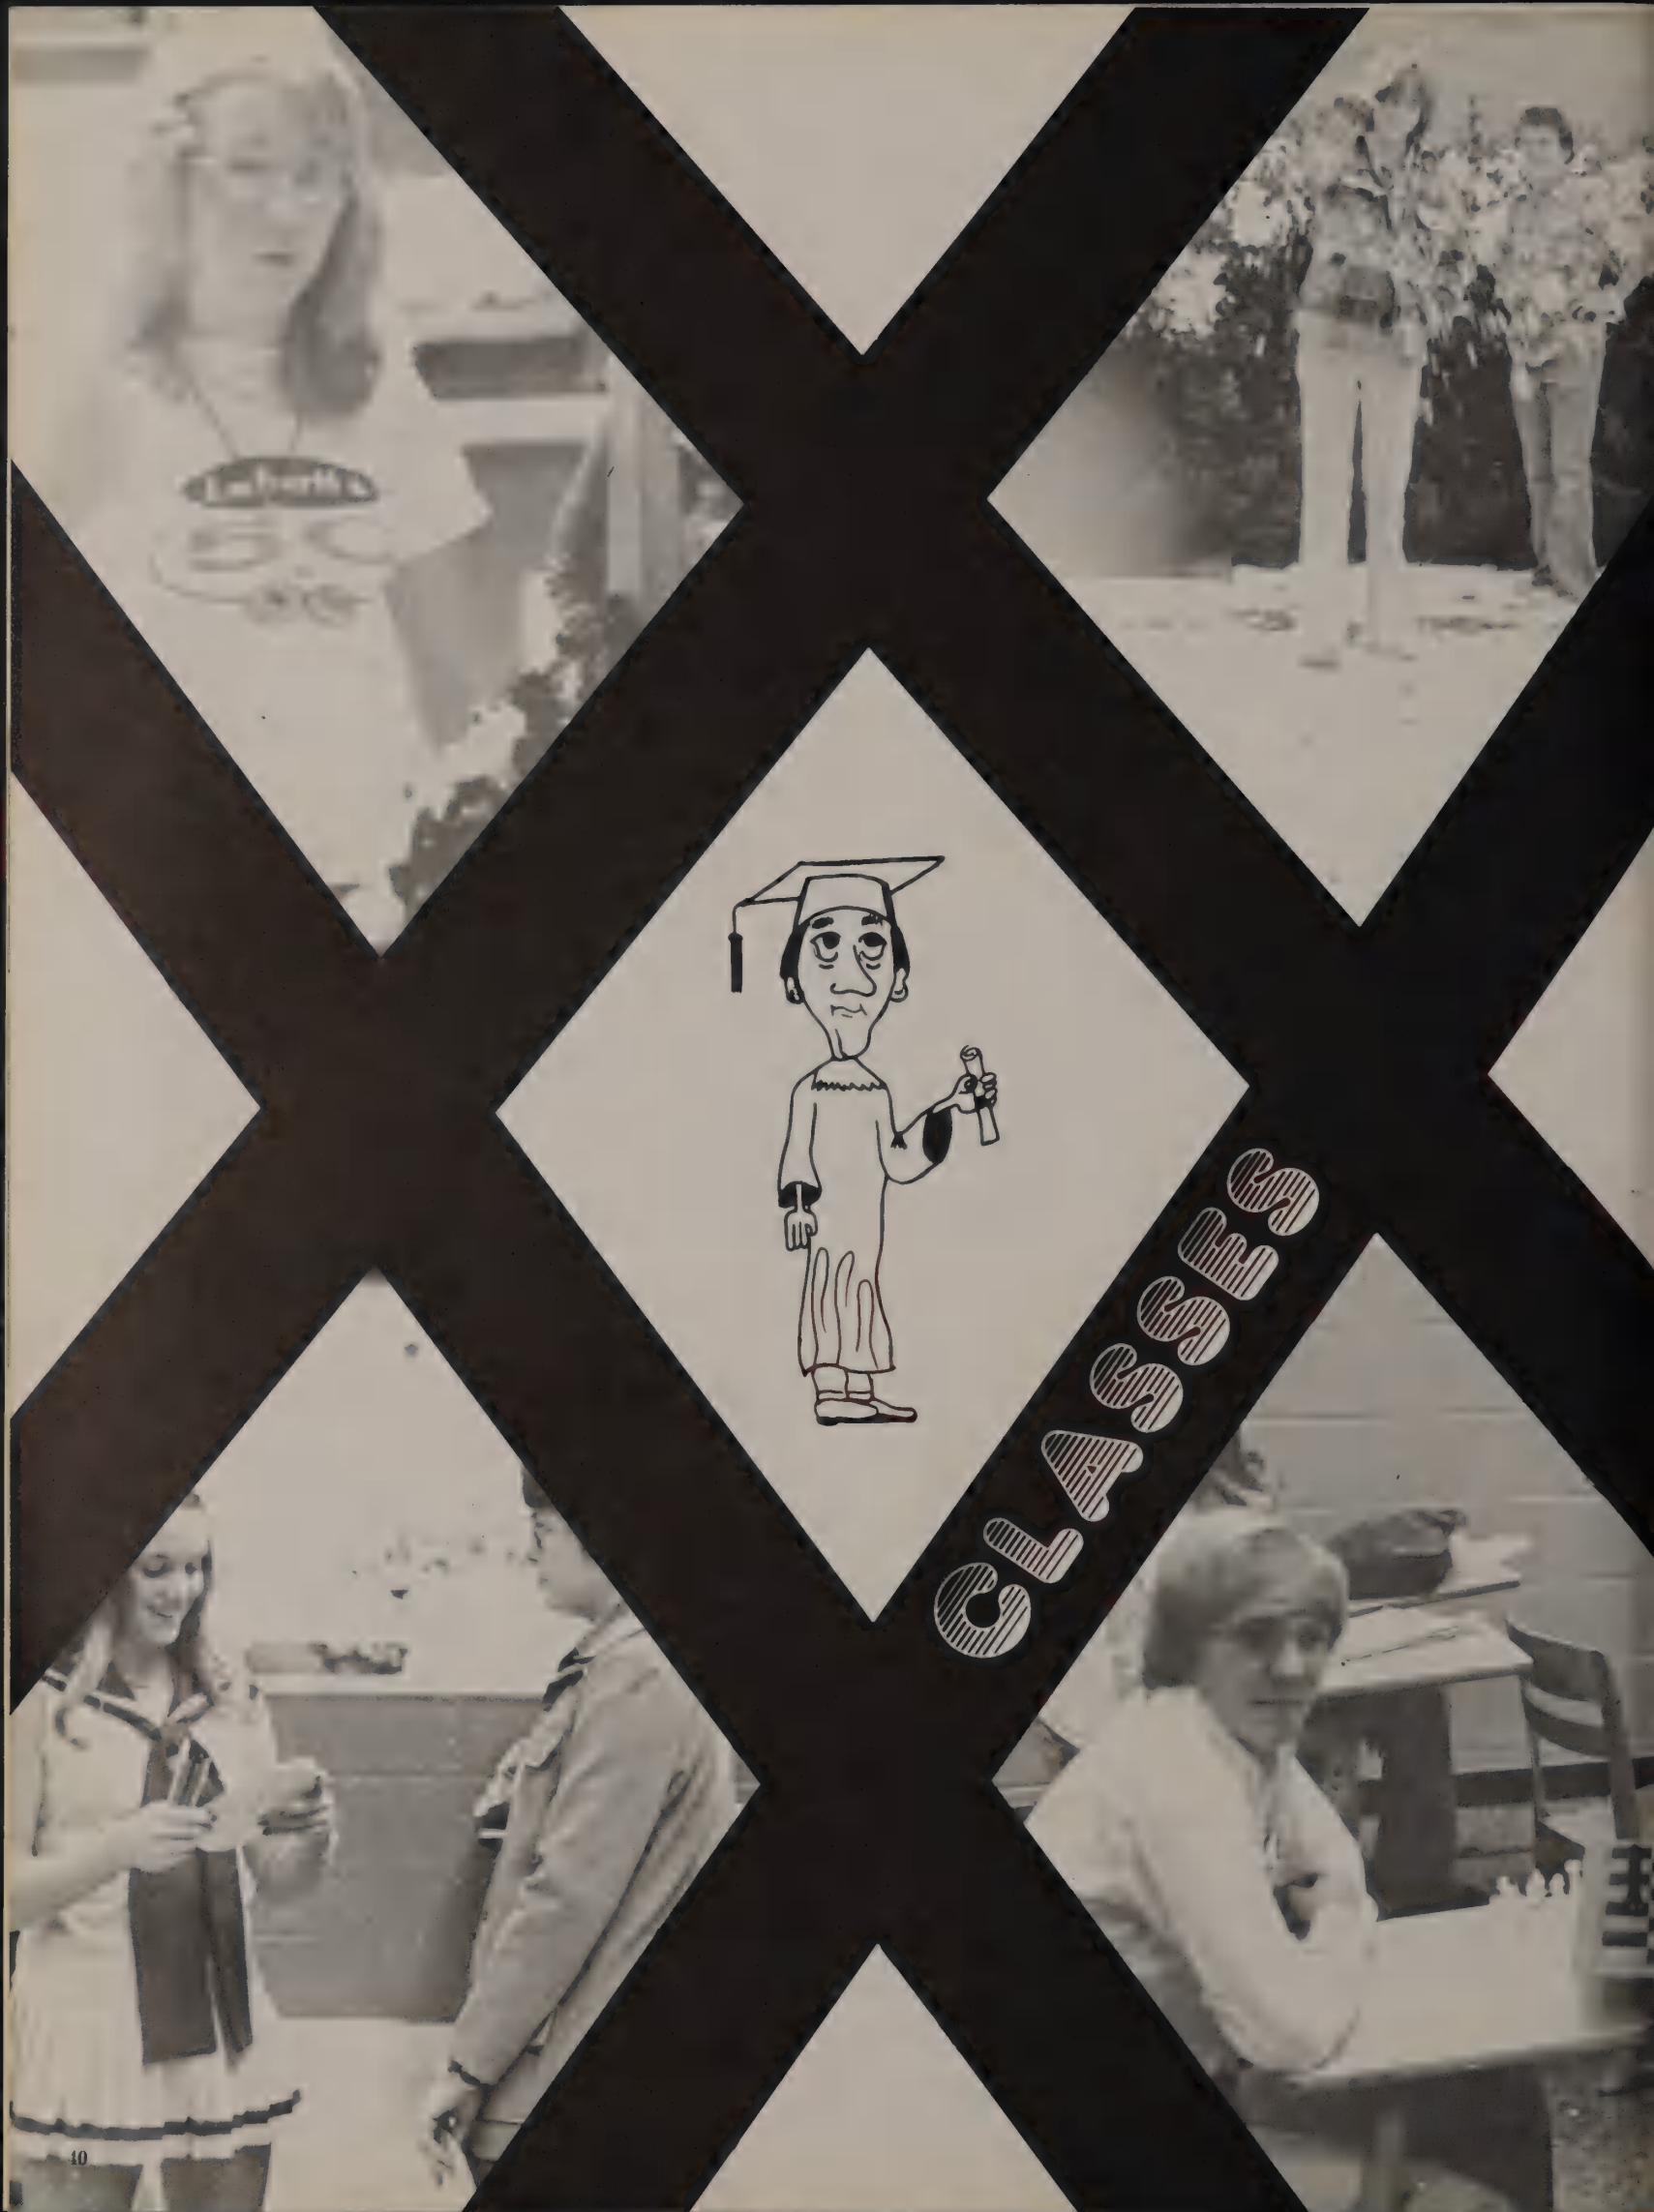

The roles of the ship's crew were played by Michael Caldwell, Albert Carter, and Lonnie Hobbs.

Joanna Stevenson is baffled by the upcoming scene.

Mindy Crabaugh explains her problem to Joanna Stevenson.

Seniors Outdo Themselves

Doug Woody and Natalie Booker proved to be the favorites of the Senior class. Natalie is one of the friendliest and warmest girls in the school. She is active in many clubs and outside school, sports are her main interest. Doug not only has his good looks, but a radiant personality as well. Football is his favorite sport and is also one in which he excels. The senior class is genuinely proud of their two favorites.

Senior Class Officers - (standing) Vice Pres. Britt Hollingsworth, Treasurer Randy Rattan, President Doug Boatright. (sitting) Secretary Natalie Booker.

Class Sponsors - (front row) Mrs. Becky Moller, Mrs. Carolyn Leuth, Mrs. Billie Bassett, Mr. David McCollum, Mr. Larry Calvin. (back row) Mr. Randy Holt, Miss Sara Yarborough, Mr. Ed Shiflett.

We will go forth
as the world looks on.
We will conquer
for we are large in number.
We will be important
for we have ambition.
We will change the world
for we have dreams.
We will have power
for we are free.
We will be happy
for we know how to love.
We will be strong
for we are young.
We will never be defeated
for we have courage.
We will succeed
for we are the Pride of '77.

Jack Jenkins wonders if Larry Baker and Curtis Bledsoe are really seniors.

Going out on our own into the world we feel bold because we're excited, but we feel afraid because we're unsure. Our feelings are best summed up in the words of this song:

"I'm Free - Yes, I'm free, and I'm waiting for you to follow me. If I told you what it takes to reach the highest high, you'd laugh and say, 'nothing's that simple'. But you've been told many times before.

"I'm free. Don't you want to follow me?"

Senior year becomes a time when we find ourselves reflecting back to all the many, many memories we have of our high school life. Some of them are happy and some are sad. See if you remember some of these. . .

Being scared the first day of school when you were a freshman.

Trying to build a half-way decent looking float for four years and then finally winning 1st place on our last try.

Losing the powder puff game two years in a row.

Our junior class giving the seniors the best prom ever.

The indescribable, marvelous feeling of accomplishment and satisfaction you felt when than diploma was placed in your hand.

Fun Keeps Year Moving

Joanna Stevenson and Gayle Gordon entertain at assemblies.

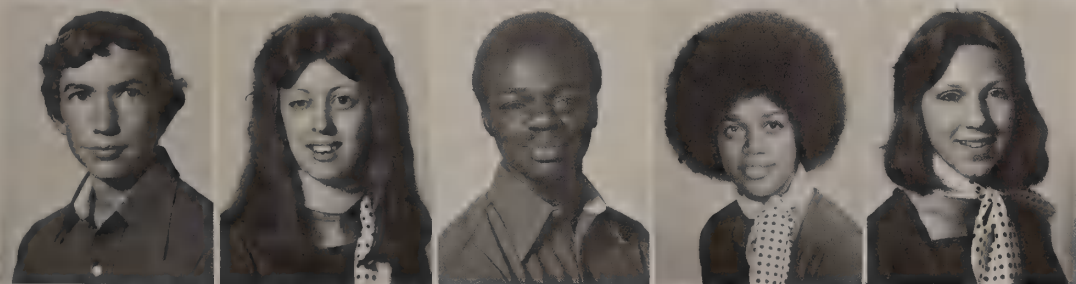

The Junior class of 1977 was really on the go this year. They started the year off by defeating the Seniors in the Powder Puff game. They also spent many hours of hard work in preparation for the highlight of the year, the prom. Their spirit was shown by their slogan, "We are mighty, we are great; We're the Seniors '78".

Sophomores Prove Worthy

Sophomore class officers are President-Paul Cooper; Secretary-Lisa Grier; Treasurer-Jane Longley; Vice-President-Mike Kelley.

Sophomore student council Representatives are K. Medford, K. Gahagan, C. Jenkins, L. Henson, L. Ward, S. Burke, and D. White.

Rosalyn Miller and Kevin Medford were chosen as sophomore class favorites by their fellow classmates.

The sophomore homecoming nominee, Karen Raines is pictured with her escort, Craig Hollingsworth.

The sophomore class sponsors are D. Autry, S. Sitz, K. Holley, T. Larison, G. Messing, B. Samuelson, D. Poteet, S. Burns.

After an entire year of being known as a "fish," it's a relief to be called a sophomore. With this thought as a booster, the class of '79 pushed off to an enthusiastic and successful year.

This enthusiasm snowballed as new adventures unfolded before them. One of the major events in many sophomores lives was that of their first exciting date, surpassed only by the thrill of getting their driver's license. There were also that "fortunate few" who got their own cars, and Doyle White headed the group with his brand new '76 Camaro.

The Sophomore Class of '77 will be remembered for their tremendous spirit, and sincere loyalty.

Homecoming Brings Confusion

Homecoming will leave many memories for the students who worked so hard on the winter float. Every night for three weeks the girls and guys hammered, sawed, stuffed napkins into wire to produce a trophy winning float. A white snow bank and a very rounded snowman formed the background for a sleigh holding Karen Raines, the sophomore nominee, and escort, jolly little old Santa Claus. The float, which was pulled by Mr. Melvin Ables, got a well deserved second place.

The dissecting of frogs and slimy little worms seems exciting in Biology class. First the parts of the animal are learned, but for the teacher that just doesn't seem to be enough. Instead, you have to pin the slippery little thing down then, to top all, you have to split it right down the middle and hope that nothing squirts in your face. After this task is over the students who haven't gone to the bathroom go on to take out inner parts. Then after all that trouble you just throw the thing away.

Sophomores Stay In Style

As each school year begins, the surge to be "in" is tremendous, and the sophomores weren't left behind in this annual rush. Many of the students attempted this by taking part in new fads as well as old. This year there were many new fads introduced, and some were more popular than others. In the fashion corner, gouchos and boots were the latest rage, and as hemlines got longer the hairlines got shorter. The old favorite, pizza, was also revived by the birth of Crystal's Pizza palace, which along with Rollerland was the place to go. Quite a few of the boys also got into the swing of things, and one of the more popular activities for them, was rebuilding old Chevies. Fads may come and go, but we will always be able to cherish them, through our memories.

Christina Morquecho, Mark Hernandez, Phillip Hallmark, and Joe Moore are elected class officers.

The wide variety of courses helped the class of '80 feel this would be a great year. It gave the class a chance to excel in special fields faster than their previous year in Junior High. They had greater opportunities and more interesting classes such as archery, drama, Spanish, French, and weightlifting.

Freshmen favorites for 76-77 are Phillip Hallmark and Robin Roberson.

Banquet Brings Honors

The fall athletic banquet was held in honor of the football teams, the volleyball teams, the drill team, and the cheerleaders. The highlight of the evening was one good-looking football player and also guest speaker, Bob Bruenig, defensive linebacker of the Dallas Cowboys. Bruenig stressed that in order to be successful, one must set goals and then strive for achievement.

The coaches and outstanding players were honored with plaques or special recognition. The volleyball team presented Mrs. Keith with a special silver pendant in appreciation for her efforts in building a winning team.

Head football coach, Bob Blevins, reminisces about his team's season.

Fellow drill team members give drill team captain Leslie Norris, well deserved applause.

Mrs. Keith reveals embarrassing secrets about the senior volleyball players.

Above: All-district volleyball players, Tammy Miller and Julie Cox, seem to hear something no one else does. Left: Guest speaker, Bob Bruenig, is apparently very amusing.

Golf Is On The Move

Coaches Grace Messing and John Reed pose by Timber-View Golf Course where the Everman Invitational Golf Tournament was held.

Driver Tammy Miller gives Julie Cox, Dena Anderson and Valecia Fouts a putt putt around in her "go go" golf cart.

Dena Anderson zeroes in on a short shot at the practice putt course.

Golf requires skill and steady motion. Good golfers find that it is not a matter of hitting the ball as hard as they can, but practicing to have the ball reach its destination. Fortunately, Everman's girl's and boy's golf teams had the facilities of the Timber-View Golf Course for regular practice.

Both teams went to clinics and youth golf programs. In these programs, golf pros such as Johnny Pilcher explained basic rules and answered questions. Both teams entered UIL District 3A5 golf competition and sponsored their own Everman Invitational Golf Tournament at Timber-View Golf Course in March.

Having a disappointing season, a 4-5-1, with 17 Seniors, 11 Juniors, and 2 Sophomores, Everman's losses were close and wins were decisive.

Alvarado started the season with an 18-12 Bulldog victory gained with over 200 yards rushing, 94 for Cook (39), and 118 for Moss (28); Boswell was a scoreless game where the defense played like it was for the state play-off. Against

Burleson the "Dogs gained over 300 yards on total offense, but were edged out 9-6. Corsicana was next: it was the first time the two teams met on the grid. The score, although a loss, 13-10, was one of the best games Everman played, but lost fumbles played a big part in the game. A week later with Castleberry, Everman got on top and stayed. It was Homecoming where all 32 players and coaches showed the

best of the year and won 8-6. After Castleberry, Mansfield Tigers met the fired-up 'Dogs and extinguished their fire with a 50 yard pass in the last minute to go ahead to win 21-24. Meeting Carter, Everman gained 300 yards on the ground but fell prey to the Eagle's passing attack and lost 27-20. Grapevine, District Champs of 1976, came to Everman to receive their only district loss with a last minute pass from

Kenneth Nealy (12) to Noble Brown (32) for Moss to make a two point conversion for an 8-7 victory. Next Blevin's "boys" beat Diamond Hill 40-9 with Senior Doug Woody (11) running 130 yards for two touchdowns and one interception which earned him the honor of Player of the Week for All-Tarrant County. Brewer was the last game of the year for the tired Dogs who fell 14-6 in the upset of the year.

Each year, as football season comes to an end, the 3A--5 coaches assemble to choose the "Cream of the Crop." The coaches base their decisions on sportsmanship as well as ability to play the game well.

Seven of our skilled young athletes were chosen for these All-District Honors.

J.V. And Freshmen Post Winning Seasons

Under new coaching the Freshmen season chalked up a 9-0. Having less than 30 points scored against them, they captured the district crown with ease. Several players proved to be good material for next year's Varsity team. Coaches Holley and Barnhill hope to produce another winning team next year.

The Junior Varsity showing a 5-2-2 record placed second in the district race. Coach Hill's and Coach Po-teet's team became known for its strong defense and quick offensive plays. With these nine games and a hard off season, the Bulldogs should receive strong athletes for the up-coming '77 Varsity team.

(Top Left) Coach Barnhill explains game plans to Todd Price and his freshmen teammates. (Center Left) Phillip Hallmark #11 breaks 2 tackles to go for the score. (Center Right) Joey Mayhew #80 and Todd Price #78 stop Brewer running back for a loss.

Dogs Sweep Zone 8-0

Coach John Nickols followed tradition by taking a small young team and producing strong determined athletes. With a hard and disappointing pre-season schedule, the Dogs were predicted to place fourth in Zone play. Showing a perfect zone record, the Dogs fazed the District by becoming 3A-5 East Zone Champs. The Mighty Dogs were forced into a District Play-off with 16th state ranked, 3A-5 West Zone Champs, Northside. The game was scheduled at Arlington Bowie, and there the story of the Mighty Dogs Dynasty ended.

Consistency and determination are shown by Jay Robinson.

Dignified 3 year letterman, Jay Robinson was chosen unanimously by District coaches as a first team All-Dist. player and second team All-Region player.

Bulldog managers shown posed on head manager's car (Johnny Johnson's): K. Stewart, M. Stewart, M. Lemmons, J. Dalton, J. McClellan.

As usual our cager team ran away with many District honors. Every Bulldog starter was honored for his continuous outstanding playing during the season. Selected as All-Dist. Hon. Ment. were Senior two-year letterman Barry Brown, Junior Kevin Piland and Sophomore Sammy Moore. Receiving All-Dist. second team honor was Senior three-year letterman Britt Hollingsworth. The highest honor awarded was to Senior three-year letterman Jay Robinson, who was unanimously chosen as a first team All-Dist. player and was chosen as a second team All-Region. These athletes and Coach Nickols should be commended for their continuous dedication to a great sport.

Although the Fish started off in a completely new environment, they posted a season record of 13-10. The team placed second to Grapevine with a 5-3 record. With a strong will and a new coach, Coach Poteet, the young team learned many fundamentals and gained a lot of experience.

Bulldogs dress before a game, but Ricky Roberson and Paul Kelley are slow learners . . .

The Bulldog Baseball Team gained more student body and community attention this year than in all the years past. Under the skilled direction of Coaches Jay Law and Mike Barnhill, the team played with great determination to win the East Zone title. The increased support of the student body boosted the winning morale of the team, but Coach Law comments, "we have improved both offensively and defensively." Pitchers Ricky Townzen and Ricky Roberson have led their team to numerous victories throughout the season with their outstanding pitching. While the Bulldogs were tallying 10 runs, Ricky Townzen pitched a no-hitter, shut-out game against Northside. Ricky was named to the All American High School Baseball Team. Paul Kelley holds the best batting average of the squad of .403 for the season. Needless to say, the pros are very interested in this fine team!

. Ricky made it!

Star pitcher Ricky Townzen is also the homerun leader of the team.

Paul Kelley's excellent batting average is exceeded only by his superior catching ability.

Volleyball Breaks Own Streak

1. J.V. Starters seem confident as they smell yet another victory.
2. Cindy Rape is continually reaching for success.
3. Shelly Gossett and Tammy Miller cover for Karen Raines as she hits another point.

For the first time in four years the Volleyball team failed to win District. They finally met their match in the Castleberry Lions at the District play-off. Both team's were undefeated in District play going into the game. Everman played well but not well enough to dampen the Lions fire. So the season ended in disappointment despite the teams' 26-3 record.

On the brighter side- Everman participated in three tournaments and came out with two 1st places and a second place to Southwest at the Fort Worth Tournament. Chosen for the All-Tournament teams were: Grapevine- Karen Raines, Julie Cox; Everman- Shelly Gossett, Tammy Miller; Fort Worth- Tammy Miller, Julie Cox.

Everman hogging East Zone District honors, placed two on the All-District team and one on the All-East Zone team. Tammy Miller, Captain and three year letterman; and Julie Cox also a three year letterman; were selected to the All-District team. Karen Raines, co-captain and two year letterman was selected to the All-East Zone team.

Graduating 8 Varsity players and leaving only two experienced lettermen makes many leary of next year's Varsity ability.

But many Junior Varsity players have proved their capability of handling Varsity play next season. The Junior Varsity ended with a season record of 23-3. They participated in two tournaments; the Everman Varsity Tournament and the Arlington J.V. Tournament. They placed second to their varsity in the Everman tournament and second to Arlington in their hosted tournament. J.V. captain Anna Beth Knowles was selected to the All-Tournament team at Everman, while Lisa Jo Grier was commended for her excellent playing during the Arlington Tournament.

Coach Keith and her Varsity team get it together before a big game.

These are a few of the phrases frequently used by Coach Diane Keith during her four years of coaching the Girl's Volleyball Team. Winning three consecutive District Championships and barely missing the fourth is among the schools records as one of the best. Retiring from her coaching position, Coach Keith will leave many young women athletes, better than she found them.

Tennisters Practice To Be Perfect

While waiting for their long wanted season to start, the tennisters practiced patiently, aiming for perfection. They had determination as their backbone and a strong desire to win as a team.

The Language, Math Lab, and Vocational Adjustment classes are part of the Special Services Department at Everman High School.

The students in both the Language and Math Labs have an opportunity to start where they are with the basic skills such as reading and spelling for English, and fundamentals for Math, and move forward at their own rate. There are 5 Language, 2 English, and 3 Math classes. Those participating in the Vocational Adjustment Classes learn job skills. The objective of this course is to combine school study with actual on-the-job work experience for students.

Several programs allow students to work while attending school, thereby providing wage earnings while gaining school credits.

H.E.C.E. (Home Economics Cooperative Education), is a two year program. H.E.C.E. students are concerned with home economics related jobs such as food service, child care, clothing assistants, consumer aides, bridal consultants, and housekeeping aides. Many students involved in this course enjoy the freedom of only one-half day in class, but the privilege of earning full credit.

Each morning the school provides individual instruction in technical aspects of the students job in a specially scheduled class conducted by a teacher-coordinator.

D.E. (Distributive Education), is a six trimester program, concerning sales-related occupations.

There are some problems and some benefits students face when they engage themselves in these programs.

The problem which students may be commonly faced with is that sometimes there is a conflict with school work. The benefits students receive from being involved in problems of this type are many. Students obtain experience, knowledge, and develop skills in occupations which will promote success as a citizen.

Typing, Bookkeeping, and Shorthand are practical courses that provide training for secretarial, and related business occupations.

Dedication and long hours were poured into this year's school newspaper. The students seemed to enjoy the new magazine style and the new name "Everbody". Despite these major changes the magazine was still published monthly. Congratulations should go to the staff for their continued excellence.

Despite a hectic year, the "Beacon" staff finally got it done. Bad weather hindered the staff's first creative idea-colored pictures in the park. This resulted in late deadlines, headaches and several weeks of work. Although, the year was total confusion, it ended in a success.

Title IX's effect was felt in P.E. for the first time allowing co-educational classes. Already accustomed to co-educational health classes, the students accepted the change with ease. As a result of the number of students in each class, several teachers were available to offer various sporting events. Despite the progress of Women's Lib the dressing rooms still remained different for the two sexes.

Spring Brings Flings

Lenneth Payne and Ricky Hill enthusiastically await Calvin Crayton's hut.

As Spring rolled in so did it's annual festivities. Spring Fever Week was enjoyed by all students who participated during the week. Double day, kiddie day and over-all day inspired many kooky outfits. Activity day winner was repeated from last year, the Class of '79.

While Senioritis continued to soak in, relief came in time-the Senior trip. Zebo's in Mineral Wells was again the place for the last Senior fling. Seniors enjoyed swimming, river floating, horseback riding, and just being together.

Dancing and letting themselves go becomes a favored part of Seniors last fling.

Spring Fever Egg Toss Champions Jennifer Clemmer and Paul Kelley display their trophy.

Tod Price "heaves ho" as Phillip Hallmark is ready to go.

Is it Larry Mahan? No its just a few Everman Seniors roping around.

Water and water games are always the most enjoyed by the aquatic Seniors.

Seniors

The Everman Times awards Ly Wanda Scroggins a \$50.00 scholarship for her excellence in Journalism.

Salutatorian Steve Hollinger's speech reflects the feeling of appreciation to parents, teachers and friends.

Outstanding Senior students applaud as Mr. McCollum receives his award from the Kiwanis Club.

Excellence in High School is rewarded by membership in National Honor Society.

Prom couples await long lines

Celebrate Graduation

Doug Boatright, Vicki Lemmons, Steve Hollinger, Donna Chancey and Melanie Breeze end the long 12 years with smiling faces.

Taking on a whole new concept the Junior-Senior Prom was a big highlight of the year. Arriving in April, a progressive country band and refreshments instead of dinner made this Prom one of the most distinctive.

Another traditional year end event recognized outstanding students with awards, special honors and scholarships.

Excitement reached an all time high by Senior week, beginning with Baccalaureate, Sunday, May 22 in the auditorium, and ending with Commencement Friday, May 27. Wearing the traditional purple cap and gown, 229 graduates, a record number, received diplomas, a hand shake and a pat on the back.

to have pictures made.

Seldom seen apart Tim Sprinkle, Mark (Big Red) Behrens, Frank Record, and Ricky Roberson stick together even at Graduation.

Year Ends In Excitement

(1) Varsity cheerleaders show their appreciation to the "Golden Band" from Bulldog Land." (2) Drill Teamers head for first period after one of their many hectic morning workouts. (3) Amy Montgomery passes her spare time, by brousing through a yearbook. (4) Students would walk a mile for a camel, or maybe just to the smoking area. (5) Larry Unger and Brad Allen make the best of hall monitoring. (6) School clubs and organizations keep active students involved. (7) Watch out, Pat Malone explodes another joke to Steve Weldon, Kevin Piland, Mr. McCollum, and Leroy Cameron. (8) Natalie Booker seems to be all washed up.

As the country proceeded to break in President Carter and the new administration, our school also proceeded in many adjustments.

Starting the year off with a fenced in student parking lot aroused the anger of many students. Several attempts were made to force administrators to remove the fence. Despite many cars crashing through the gates, the fence still stands today, with the purpose of protecting wheels, hubcaps, stereos, C.B.'s etc.

Dances finally hit the scene, causing excitement in all the classes. Since a rock, disco and country combination band is hard to find, many were displeased with the music. However, many students were mature enough to adjust to the music and enjoy this privilege.

Probably the most talked and griped about subject of the year was no open campus. The opening of a Sonic Drive-Inn and several other restaurants started a heated battle. Several letters were written in the "Everbody" magazine arguing students rights and the need for open campus. Despite the controversy no fatalities or serious mishaps were reported during the year.

Life Goes On - Even After School

For those that "turned on" to school life and activities-the year went great. Many students began doing their "own thing", whether it was being in the Library Club or on the Drill Team, each did what he liked best. A new phase in life was yet to begin for the 229 Seniors. To these mature graduates, "Turn on to Life and Life will Turn You on. ALLRIGHT!!!!

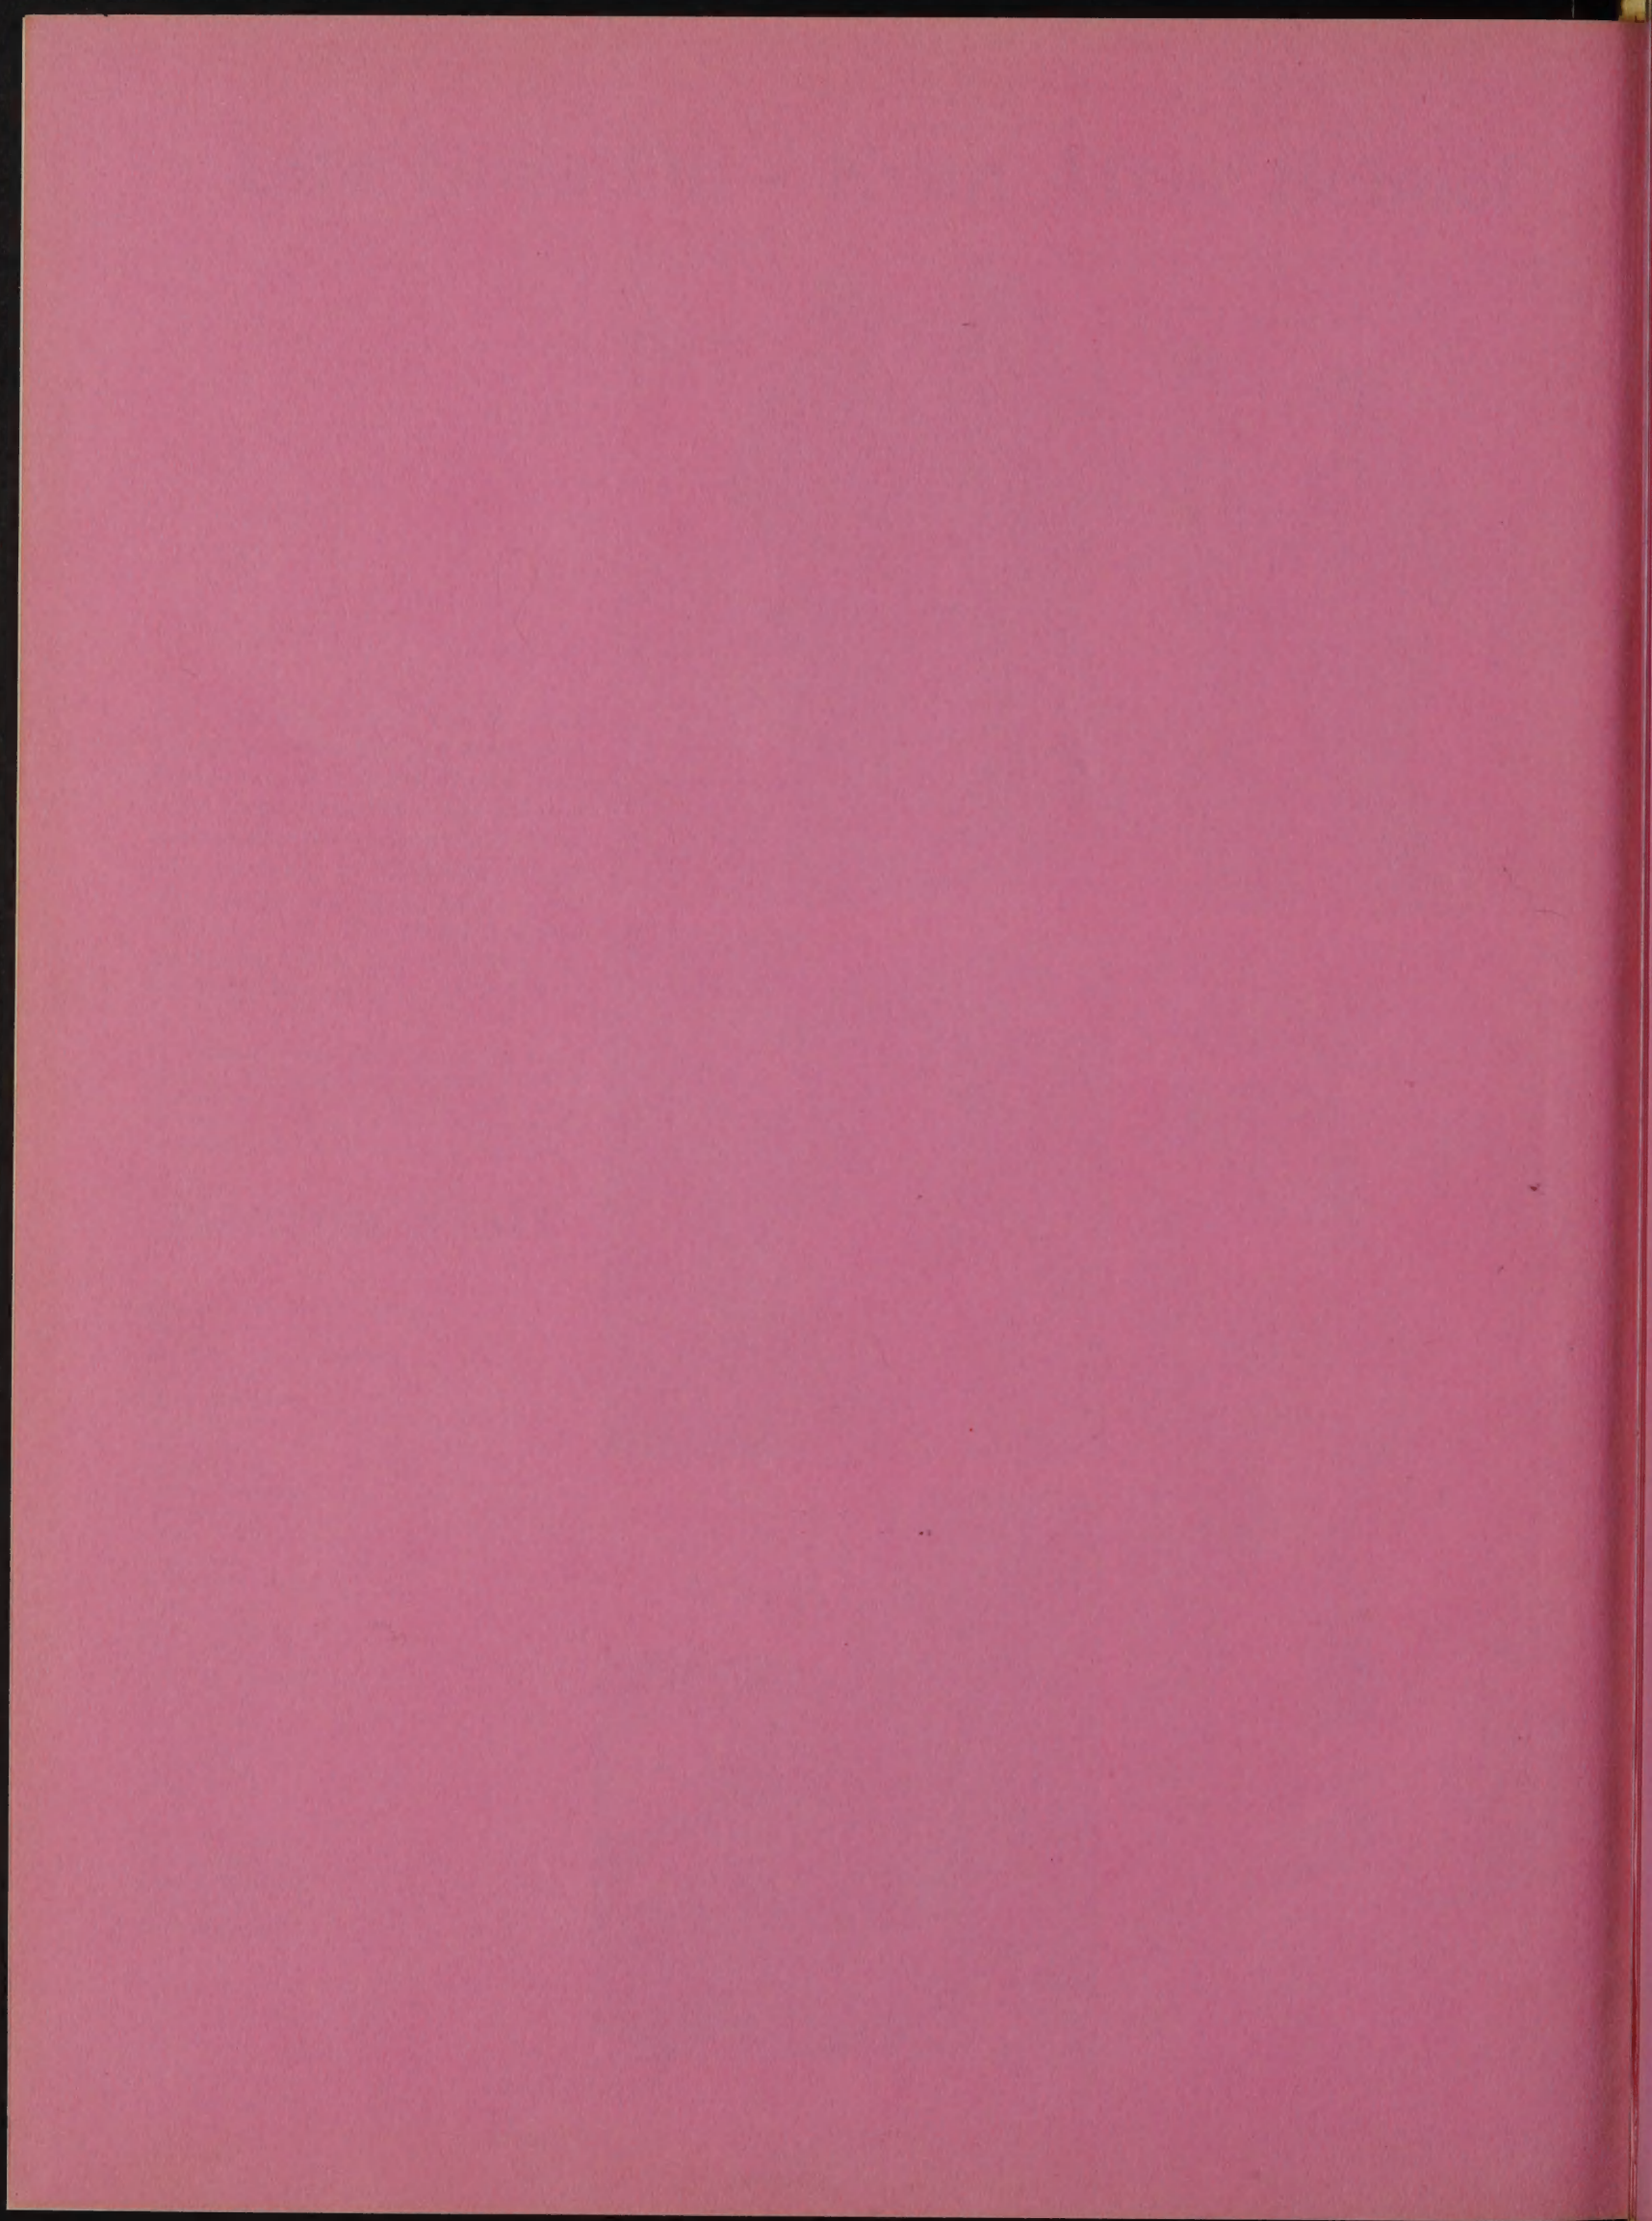

(1) Students enjoy chatting and just being together. (2) Janice Fuller is ready to leave. (3) School's out, Mary Ransom and Kandy Hall head for home. (4) Kerri Tipton shows amazement, she didn't realize it was 3:30.
